Dear Alpha Students, Parents, and Guardians,

At Alpha, we are committed to providing a high-quality online education that maintains the same level of excellence and engagement you would expect from our in-person classes. While the format of learning may be different, our dedication to your success remains unwavering.

Here are a few important points to keep in mind as we embark on this virtual learning journey together:

**Virtual Curriculum:** Our teachers have been working diligently to adapt our curriculum for online delivery. Rest assured, Alpha strives to be once again recognized as one of the top online programs for public schools in Pennsylvania.
